100%

of users confirm their skin looked more balanced and less oily

95%

reported a visible reduction in comedones and blackheads after the treatment

# Professional Treatment System

Three in-cabin essentials designed to purify, mattify, and rebalance acne-prone skin.

## MATTIFYING CLAY MASK

Formulated with green clay to eliminate sebum and dirt without irritation or increased shine.

## PURIFYING B-LIGHT GEL-MASK

Reinforced with GABA to help reduce sebum production (i.e. Baby Botox\* effect).

## BALANCING CARE R-LIGHT CONCENTRATE

Reduces the visible effects of daily stress & down-time from harsh treatments.

## Homecare Routine

A simple post-treatment routine that supports clearer, more balanced skin between visits.

### PURIFYING CLEANSING FOAM

Daily purifying exfoliant to help clear out clogged pores and prevent future breakouts.

### MATTIFYING GBX BOOSTER

**Reinforced with GABA** to help reduce sebum production (Baby Botox\* effect).

### MATTIFYING BALANCE GEL-EMULSION

Designed to calm redness and eliminate flaking caused by anti-acne treatments.

### INSTANT CORRECTING GEL

Fast-drying gel for targeted treatment and quick recovery of localized blemishes.

### EXFOLIATING CARE LOTION

Formulated with **anti-cortisol actives** to help reduce the cosmetic effects of daily stress on the skin.

\*See Skeyndor's CLEARIST® CTX range catalogue for full details on the Baby Botox effect.
